

St Nicholas CE First School

Home Learning Platform

www.stnicholas-closure.weebly.com

This document is to help families and children understand what will be on each section of our home learning platform.

Site Section	What will I find?
Home	General details about the school closure and safeguarding information
Year Groups	Year-group specific information and activities from teachers, including weekly activities (from 20 th April 2020)
Whole School Digital Resources	Links and guidance for a range of digital resources either free or currently subscribed to by the school
Families	A range of resources to support families with their child's learning. These help families also with their subject knowledge, as we appreciate this is something that families may want support with, such as learning vocabulary used and what children learn in their year group
Family-Time Activities	The other section 'Family Time Activities' helps families to find activities they can use to spend quality time together
Worship	Activities and resources to help families make provisions for Worship and reflection, if they wish to
