

MEET THE TEACHER

Hello! My name is:

Miss Parker and I am the Head Teacher

This is me...

I like

...helping families and working with the children and grown-ups at school.

...sharing in the amazing achievements of the children at school both with their learning and their relationships.

In my spare time I

I like to go on long walks in forests or at the seaside. I love skiing and running and playing with my children Ben and Lara.

This is my favourite...what is yours?
