# MEET THE TEACHER

Hello! My name is:

Miss Sullivan and I'm the After School Club Manager

This is me...

I like

... helping people and trying to be kind.

... seeing the oldest children help the youngest at after school club.

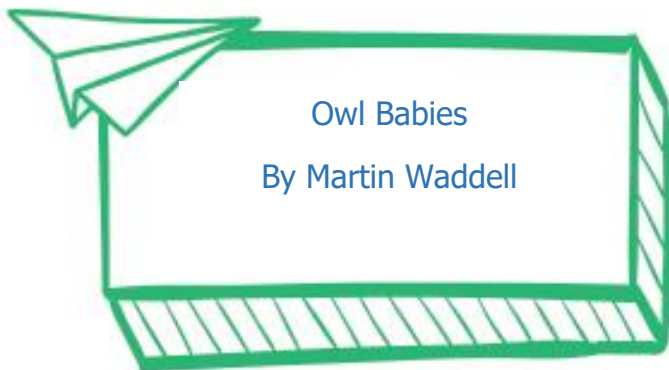

... getting involved in play with the children. I love nothing more than a make believe tea party or playing a game.

In my spare time I

I like to go on walks, see my friends and play with my little boy Isaac.

This is my favourite...what is yours?

**WELCOME TO**
